- Specifications are based on averages from manufacturing processes and may vary within normal industry tolerances.
- This product is intended for use solely as an indoor floor covering and is not recommended or sold for any other purpose.
- Use entryway systems outside each entrance to prevent dirt, sand, grit and other substances from being tracked onto floor.
- Rubber-based materials should not be left in contact with the floor for prolonged periods as they may cause tattooing or permanent staining on the lacquered surface. It is neither a manufacturing nor an installation fault and therefore is not covered by our warranties.
